CALL FOR ABSTRACTS

Saskatchewan 3.0 Summit Innovation Showcase

http://sask3summit.com/

The organizing committee of the Saskatchewan 3.0 Summit is inviting students from Saskatchewan Universities and Technical Institutes to submit abstracts describing recent work relevant to the themes of the summit, for inclusion in the Innovation Showcase to take place April 24.

Saskatchewan's economy is booming and growing like never before, but is it sustainable?   The Saskatchewan 3.0 Summit was conceived to help our province maintain its current momentum by enhancing the understanding and accelerating the adoption of cutting-edge digital and social technologies.

The Summit is about assembling the best and brightest leaders from Saskatchewan's public, private and education sectors and combining your expertise and experience to generate ideas to build our province's digital future.

TOPICS

Submissions are invited focusing on any topic relating to the main themes of the Saskatchewan 3.0 Summit:

Accelerating the adoption of digital technology in Saskatchewan
Mobile Technology
Social Networks
Open Government
Privacy and Online Security
Collaboration and Efficiency
Online Citizen/Customer Engagement

Innovation Showcase

The Summit Innovation Showcase Reception will be an opportunity for attendees to socialize while checking out some amazing new innovations

and exciting practical applications of technologies that have been implemented around the world. Technology vendors, representatives from other provincial jurisdictions and post-secondary students will show how technology can be implemented to help make a difference and improve people's lives.

EVALUATION OF ABSTRACTS

Abstracts will be evaluated by the committee based on innovation, appropriateness to topics, relevance to Saskatchewan, and relevance to industry and government.

NOTE: Students whose abstracts are chosen for inclusion will have their registration to the conference paid in full.

Abstracts with full contact information should be emailed to David Gerhard:

gerhard@cs.uregina.ca

 by the deadline of

Monday, March 26, 2011

Thanks,
The Saskatchewan 3.0 Summit Innovation Showcase Review Committee
